Professional cleaning  
without damaging surfaces

## Surfaces Do Not Restain Easily

All cleaners contain and therefore leave residues of surfactants soaps - detergents, enzymes etc. to which dust and dirt easily adhere, resulting in the cleaned surfaces to wear out, restain easily and clean difficult

✓ **Deep cleaning without wear**

Clean like a Pro

**0% Chemical Residue**  
0% Detergents  
0% Soaps  
0% Solvents  
0% Enzymes

The innovative composition of ZER0% contains none of the above. It instantly breaks down all pollutants into millions of microparticles which are easily removed with a damp cloth or microfiber glove. Simple application, just spray and rub!
